I'm in love, I'm in love  
And it feels so fine  
Take the sun from above  
And my heart still shines  
Wanna sing when u bring  
Me a kiss and smile  
I'm in love, I'm in love  
I'm in love, I'm in love

Never knew elation  
What a sensation  
Livin' is great  
Hey I'm feelin' free  
Never knew happiness  
Baby I'm obsessed  
Crazy I guess  
But you're all I see

With u I'm on a holiday  
No troubles I can see  
Like a child I want to play all day  
Forever u and me  
When your love starts callin'  
I can hardly wait  
'Cause my heart has fallen  
Baby I'm here to say

[CHORUS]  
Love's my first impression  
I'll give no less than  
All of my best  
'Cause I know it's real  
Fascinate me baby  
Don't keep me waitin'  
Reciprocating the way I feel  
I wanna fill your every need  
Your very soul desire  
'Cause you are everything to me  
There's nothing more to find  
When your love starts callin'  
I can hardly wait  
'Cause my heart has fallen

Baby I'm here to say

[Repeat CHORUS]

Well my heart keeps racin'  
I can hardly keep up  
And my mind keeps chasin  
Every second that we stay apart  
Can't keep up  
Can't get enough  
I'm in love

[Repeat CHORUS]
