How can the small flowers grow,  
if the wild wind blows~  
and the cold snow is all around.  
Where will the frail birds fly,  
if their homes on high~  
have been torn down to the ground.

Lift the wings,  
that carry me away from here and  
fill the Sail,  
that breaks the line to home,  
but when I'm miles and miles apart from you.  
I'm beside you when I think of  
you - a StÃ³irÃ²n a GrÃ²i

How can a tree stand tall  
if a rain won't fall~  
to wash it's branches down.  
How can a heart survive?  
Can it stay alive?  
If its love's denied for long

Lift the wings,  
that carry me away from here and  
fill the Sail,  
that breaks the line to home,  
but when I'm miles and miles apart from you.  
I'm beside you when I think of  
you - a StÃ³irÃ²n

And I'm with you when I~  
dream of you - a StÃ³irÃ²n  
And a song will bring you near  
to me - a StÃ³irÃ²n a GrÃ²i
