Tell me am I ever gonna find my Angel this life.  
I've got him on my mind again,  
And though I search I never win.

Tell me am I ever gonna find my Angel this life.  
I've got him on my mind again,  
And though I search I never win.  
I'm told that if you seek you shall find your Angel  
though I'm,  
I'm throwing most of my hope aside,  
but still praying I'll be found in time...

Extra, Extra this just in,  
I've been living a lie from the beginning.  
I told myself No, no one else,  
now I can't help I'm laughing at this life that I am living.  
Tell me will the sun come out to play,  
I'm tired of living in this rain of Grey,  
with you stealing my Umbrella, 'ella 'ella Eh Eh Eh.

It's been years, still I'm here wishing waiting wanting  
more,  
What he said he would give me.  
Now the nights turned today carved in words,  
Displayed,  
Framed "I vow to you I'm ready".  
If you could take all my pain away,  
My tears are streaming oceans on my face,  
No more dreaming yesterday is yesterday.  
YEAH YEAH YEAH...

Tell me am I ever gonna find my Angel this life.  
I've got him on my mind again,  
And though I search I never win.  
I'm told that if you seek you shall find your Angel  
though I'm,  
I'm throwing most of my hope aside,  
but still praying I'll be found in time...

Any other day, any other time and place,  
you'd still be on my mind, mind  
but now I'm letting go, won't be taking this no more,

I'd just be wasting my time. (time)  
Yeah you tried to show me you love me, you need me  
but you just deceived me  
And now I'm tired of waiting aimless in your arms.  
Time goes by slowly, love dies, inside my soul cries,

I'm holding on by breathing.  
I know my heart fought but it's not caught the one that  
it ought, Ought,  
I'm letting go, I'm leaving.  
If you could take all my pain away,  
My tears are streaming oceans on my face,  
No more dreaming yesterday is yesterday.  
Yeah Yeah Yeah

Tell me am I ever gonna find my Angel this life,  
I've got him on my mind again,  
and though I search I never win  
I'm told that if you seek you shall find your Angel  
though I'm  
I'm throwing most my hope aside,  
but still praying I'll be found in time

You don't know what you're doing to me, Baby  
I know you don't care, but just wait and see.  
Today will be the day, tonight you will refrain,  
now that we are moving separate ways away from we.  
Enough.....

Tell me am I ever gonna find my Angel This life.  
I've got him on my mind again,  
And though I search I never win.  
I'm told that if you seek you shall find your Angel  
though I'm,  
I'm throwing most of my hope aside,  
But still praying, Yeah....  
Yeah yeah yeah a-yeah  
I've got him on my mind again  
And though i search i never win  
I'm told that if you seek you shall find your Angel  
though I'm,  
I'm throwing most of my hope aside,  
But still praying I'll be found in time

Tell me am i ever gonna find him  
Tell me am i, Tell me am i  
Tell me am i ever gonna find him  
whoa....  
I'm told that if you seek you shall find your  
Tell Me am i, Tell me am i.....
