When my money's low
And life's a bunch of zeros
I turn on my radio
And listen to my heros...

We got cowboy heros like ol' Gene Autry,
Got a home for it all down at the grand Ole Opry.
Where you can go walkin' through the Hall of Fame
And one by one, remember the names...

Willie Nelson, Jimmy Roggers, Red Sovine,
Waylon Jennings, Merle Haggard, Patsy Kline
George Jones and Tammy, and a great pair of Judds,
And Hank Junior sings with Senior on an over-dub.

Whenever this world starts gettin' me down
Holdin' me back, makin' me frown
I need some music from Guitar Town
Come on play me a country song...

George Strait on tape is great for any trucker
Out on Hwy 101, let's hear some Tanya Tucker
Kenny and Dolly, Travis Tritt or Jimmy Stewart,
they know country they can really get to it.

Country Colors are shades of Sawyer Brown
Red Foley, Lee Greenwood, I love all the sounds
I get hungry for some county when I think of Jimmy
Dean
Then I get a Reba Mac-Attack my appetite's obscene

Whenever this world starts gettin' me down
Holdin' me back, makin' me frown
I need some music from Guitar Town
Come on play me a country song...

Now Garth Brooks is up on top
Alan Jackson's got his own jukebox
And you know Clint Black is where its at,
When he's singing those songs from underneath his
hat!

Ain't nothing wrong with Aaron Tippen
Young Dwight Yoachum a-root-beer sippin
Trisha won't be lonely, and Patty's never loveless
with an achey-breaky heart like Billy Ray Cyrus
