(spoken)

(Alvin: Hey Dave, what's the matter?)

(Dave: It's your room, Alvin, It's absolutely hopeless.)

(Alvin: Awww, Dave, nothing's hopeless!)

Sometimes I wonder what's gone wrong

Most folks have lost their star.

Life without a ray of hope

Sure can get mighty dire...

(Dave: like your room)

And as I started thinking,  
why life had turned so blue

I saw a book of Fairy Tales

and suddenly I knew!

(Dave: But Alvin...)

Listen to me!

You gotta believe in pumpkins,

If you wanna go to the ball.

Don't stop yourself from havin a little

As you can have it all.

(Alvin: C'mon Guys! - Theodore and Simon chime in)

Faith is just like planting seeds,

They help your dreams come true.

Believe in what's around you,

and good things will come to you.

(Dave: Very nice fellas, but Alvin, I've been on you  
about your room for weeks. I've grounded you, I don't  
know what else to do!)

Now and then you're gonna feel

Stuck in the caboose

But throw those feelings out the door

And remember Mother Goose.

Because life is what you make it.

(Dave: but Alvin...)

You can fly or you can fail.

(dave: ...This room!))

Yes, create a world of dreams come true  
And life will fill your sail.

(Dave: That's true, but, uh...)

(Alvin: Everybody! - chorus joins in)

You gotta believe in pumpkins,

(Alvin: Yes you do.)

If you wanna go to the ball.

Don't stop yourself from havin a little

And you can have it all.

(Dave: Alvin, where'd all these people come from?!?)

Faith is just like planting seeds,

They help your dreams come true.

(Alvin: Sing it now!)

Believe in what's around you,

and good things will come..

(Alvin: Yes it will!)

Believe in what's around you,

and good things will come

(Alvin: Yes it will!)

Believe in what's around you,

and good things will come to you

(Dave: That's wonderful fellas, so Alvin, let's clean up  
this room now.

Alvin.

Alvin?

AALLLLL VIIN!)
