You know you got it made
When you drop an Escalade
For the drop top, iced out, rocks hot
Dropping dollars, ladies holler, hey
Gotta get that cream

You know you got it made
When they setting a parade
When you drop down, write a check in town
All just for one day
Gotta get that cream

Whoa, don't you know that's how they roll?
Can you get down with the

Funk, funk, funk of the chipmunks
Baby, you know
Funk, funk, funk of the chipmunks
How we roll

Funk, funk, funk of the chipmunks
Baby, you know
Funk, funk, funk of the chipmunks
How we roll

How we roll, come on, can you feel it?
How we roll, yeah, yeah come on
Here's Theodore

You know you're here to stay
When you're always getting paid
And you don't stop, never, no, it won't stop
No matter what they say
Gotta live the dream, take it Simon

You know you're here to stay
When you hear they think you hit
'Cause we gots its, everybody fletch it
Got nothing to say
So we live the dream

Whoa, don't you know that's how they roll?

Can you get down with the

Funk, funk, funk of the chipmunks
Baby, you know
Funk, funk, funk of the chipmunks
How we roll

Funk, funk, funk of the chipmunks
Baby, you know
Funk, funk, funk of the chipmunks
How we roll

How we roll, come on, can you feel it?
How we roll, yeah, yeah, come on
Break it down now

Baby, it's how we roll
Funk, funk, funk of the chipmunks
Funk, funk, funk of the chipmunks
Funk, funk, funk of the chipmunks
Funk, funk, funk of the chipmunks

How we roll, come on, yeah
How we roll, baby, you know, you know, you know
How we roll, oh yeah
How we roll, oh yeah
How we roll
