It's beginning to look a lot like Christmas
Everywhere you go
Take a look in the five-and-ten
Glistening once again
With candy canes and silver lanes aglow

It's beginning to look a lot like Christmas
Toys in every store
But the prettiest sight to see
Is the holly that will be
On your own front door

A pair of hopalong boots and a pistol that shoots
Is the wish of Barney and Ben
Dolls that'll talk and will go for a walk
Is the hope of Janice and Jen
And Mom and Dad can hardly wait
For school to start again

Oh, it's beginning to look a lot like Christmas
Oh, yes, everywhere, absolutely everywhere you go
There's a tree in the Grand Hotel
One in the park as well
The sturdy kind that doesn't mind the snow

It's beginning to look a lot like Christmas
Oh, yes, soon, very soon the bells will start
And the thing that will make them ring
Is the carol that you sing
Right here, right within your heart, yes, sir

And the thing that will make them ring
Is the carol that you sing
Right within your heart
