Only you can make this world seem right
Only you can make the darkness bright.
Only you and you alone
can thrill me like you do
and fill my heart with love for only you.

Only you can make this change in me,
for it's true, you are my destiny.
When you hold my hand,
I understand the magic that you do.

You're my dream come true,
my one and only you.

everytime she walks by I can't stop staring
hooked on her looks and that smile that she's wearing
she looks at me and I freeze, I can't go on
unless it's with you girl, cause you are the one, i got
so much to give, long as i live you're my only
one thing I cant stand's the thought of you lonely, so
open up your eyes, realize my love is true
and it's meant for o-only you

Only you and you alone
can thrill me like you do
and fill my heart with love for only you,
Only you
