You know this boogie is for real.
I used to buy my faith in worship,
But then my chance to get to heaven slipped.
I used to worry about the future
But then I throw my caution into the wind.
I had no reason to be care free
No no no, until I took a trip to the other side of town
Yeah yeah yeah, you know I heard that boogie rhythm
Hey- I had no choice but to get down down down down.

Dance, nothing left for me to do but dance,
Off these bad times Im going through just dance
Got canned heat in my heals tonight baby

I feel the thunder see the lightning
I know this angers heaven sent.
So Ive got to hang out all my hang-ups
Because of the boogie I feel so hell bent
Its just an instant gut reaction, that I got
I know I never ever felt like this before,
I dont know what to do
But then thats nothing new,
Stuck between hell and high water
Need a cure to make it through.

Hey- dancing nothing left for me to do but dance
Off these bad times Im going through just dance,
Hey got canned heat in my heals tonight baby
You know know know Im gonna dance yeah
All the nasty things that people say.

Dance yeah, but Im gonna make it anyway,
Dance, yeah, got canned heat in my heels
Tonight baby, you know I got canned heat in my heels.

You know this boogie is for real.
Only the wind can hold the answers,
And she cries to me when Im asleep.
She says you know that you can go much faster,
I know that peoples talk can be so cheap, heyhey,
Ive got this voodoo child inveined on me,
Im gonna use my power to assend.

You know Ive got these boogie heels to use,
Sunshine theres no way to lose.
I was born to walk and built to last.
Youve never seen my feet cos theyre movin to fast.

Dance yeh, nothing left for me to do but dance,
All these bad times Im going thru just dance,
Hey got canned heat in my heels tonight baby.
Hey Ive got to dance yeh, all the nasty things that
people say.
Dance yeh but Im gonna make it anyway.
Dance yeh, got canned heat in my heels tonight baby.

You now this boogie is for real,
Got so much canned heat in my heels yeh,
Gonna dance, gonna dance my blues away tonight
You know Im gonna dance my blue away.
You know this boogie is for real
Got so much canned heat in my heels yeh,
Gonna dance, gonna dance my blues away tonight.
Dance, come on, got canned heat in my heels
tonight(uh huhuhuh yeh),
Canned heat in my heels tonight (uh huhuhuh right),
Canned heat in my heels tonight (uh huhuhuh yeh).
Hey got so much (ahhhhhhhhhh).

Dance. hey dj let the music play (let the music play yeh)
I wanna live this party life, (I wanna live this party life).
Hey dj blow my cares away (let the music play yeh)
I wanna live this party life (I wanna live this party life)
Hey dj let the music play I wanna live this party life,
Hey dj blow my cares away I wanna live this party life.
(party life. I want it, I want it to go on).

Heels. u know, u know Im gonna dance my blues away
