I told you I was sorry, I told you I was wrong,
I said it was an accident and don't tell anyone.
But you love to circle round and round, you're so
misunderstood.
Yeah, you love to circle round and round & you know
that we should
Forget about it -
Let's forget about it
You lied about how much you knew, I thought you were
my friend.
You lied upon the mattress, c'mon tell me where you've
been.
You lied about this night apart, you lied about the room.
If you're gonna have to lie to me then
Let's forget about it
Let's forget about it
I'll stop crying on the mountain that we made from a
molehill where we
Spilt the milk.
So you say this never happened, perhaps not the way I
thought.
Did I throw this out of focus - or was it just the way we
fought?
That is seemed to me you this girl, but you swear to
God it's not.
Let's forget about it
Let's forget about it
I'll stop crying, if you'll stop.
I'll stop crying, if you'll stop.
I'll stop crying, if you'll stop lying to me.
