All alone on a Sunday morning
Outside I see the rain is falling
Inside I'm slowly dying
But the rain will hide my crying, crying, crying

And you, don't you know my tears will burn the pillow?
Set this place on fire 'cause I'm tired of your lies
All I needed was a simple hello
But the traffic was so noisy that you could not hear me
cry

I, I gave you my love in vain
My body never knew such pleasure
My heart never knew such pain
And you, you leave me so confused
Now I'm all cried out over you
Oh you, all over you

Never wanted to see things your way
I had to go astray, oh why was I such a fool?
Now I see that the grass is greener
Is it too late for me to find my way home, how could I
be so wrong?

Leaving me all alone
Don't you know the hurt will cause an inferno
Romance up in flames, why should I take the blame?
You were the one who left me neglected, I'm so sorry

Apology not accepted
At me to the broken hearts you've collected

I, I gave you all of me, gave you all of me
How was I to know you would weaken so easily?
I, I don't know what to do
Now I'm all cried out, I'm all, over you, I'm cried out too

I, I gave you my love in vain
My body never knew such pleasure
My heart never knew such pain
And you, I left me so confused
Now I'm all cried out, now I'm all cried out over you
