I'd play all day if I could
But I haven't got all the time in the world

Your head hangs down, hangs down
Your face so long, so long
Your weight carries
Your weight carries so hard

Baby, brother's playing
And now he's asleep

And I'd play all day if I could
I'd run, run away if I could
And I'd stand in your way if I could
But I haven't got all the time in the world

Your head hangs down, hangs down
Your face so long, so long
Your baby brother would like to say
He loves you but he can't seem to find you

He'd like to say, I love you
But now he's asleep
He'd like to say I love you

And I'd play all day if I could
I'd run, run away if I could
And I'd stand in your way if I could
But I haven't got all the time in the world

Wasting time, it's just a stranger, no
Object, no friend of mine
Here we are and we're angry and
We're wasting time, wasting time

And I'd play all day if I could
I'd run, run away if I could
And I'd stand in your way if I could
But I haven't got all the time in the world

And I'd play all day if I could
I'd run, run away if I could

And I'd stand in your way if I could
But I haven't got all the time in the world

And I'd play all day if I could
But I haven't got all the time in the world
