"Catch The Moon"

Can you catch the moon
And hold it in your hands?
'Cause I can catch the moon
And I do my moon dance

I press my hands together
And slowly spin around
Tell my moon bird sister
To pick me up and we'll go flying

Can you see what shines
When it's dark outside?
'Cause I can see the moonshine
When I look in your eyes

When I catch the moon
I'll throw it to you
And you'd be happy too
I'll do that for you

We can dance together
And slowly spin around
'Cause you're my moon bird sister
I can see you, you are laughing

You can catch me
You'll be happy
I can see you
You are laughing

You can catch me
You'll be happy
I can see you
You are laughing

You can catch me
You'll be happy
I can see you
I'm so happy

You can catch me
I'm so happy

I can see you
You are laughing
