You say I only hear what I want to
And you say I talk so all the time-so

And I thought what I felt was simple
And I thought that I don't belong
And now that I am leaving
Now I know that I did something wrong cause I missed
you
Yeah, I missed you

And you say I only hear what I want to
I don't listen hard
I don't pay attention
to the distance that you're running or to Anyone,
anywhere
I don't understand if you really care
I'm only hearing negative, no no no - bad

So I turned the radio on I turned the radio up
And this woman was singing my song
The lover's in love and the other's run away
The lover is crying cause the other won't stay
And some of us hover when we weep for the other who
was dying Since the day they were born well
Well this is not that
I think that I'm growing but I'm grown

And I thought I'd live forever but now I'm not so sure
You try to tell me that I'm clever but that won't take me
anyhow
Or anywhere with you

And you said that I was naive
And I thought that I was strong
I thought "hey I can leave, I can leave"
But now I know that I was wrong cause I missed you
Yeah I missed you

You said "you caught me cause you want me
And one day I'll let you go"
You try to give away a keeper or keep me cause you're
know

you're just too scared to lose

And you say, "stay"

You say I only hear what I want to.
