Lucky me
How bad could it be
To be alone for now
To be free

Oh, don't cry
The time, it passes by
Just think of what you'll get
When you're past this

So, is it alright if I go?
Is it alright if I go?

Oh, don't cry
Just think about the end
I'll find my best friend
At last

Lucky me
I'm ready for a ride
I'll jump off and take a drive
Today

So, is it alright if I go?
Is it alright if I go?
Is it alright if I go?

Oh, don't cry
It's time to say goodbye

So, is it alright if I go?
Is it alright if I go?
