You say, I only hear what I want to

And you say, I talk so all the time, so

And I thought what I felt was simple  
And I thought that I don't belong  
And now that I am leavin'  
Now I know that I did somethin' wrong  
'Cause I missed you  
Yeah yeah, I missed you

And you say, I only hear what I want to  
I don't listen hard, don't pay attention  
To the distance that you're running  
To anyone, anywhere  
I don't understand if you really care  
I'm only hearing negative, no no no, bad

So I, I turned the radio on, I turned the radio up  
And this woman was singin' my song  
Lover's in love and the other's run away  
Lover is cryin', 'cause the other won't stay

Some of us hover when we weepin' for the other

Who was dying since the day they were born, well  
Well, this is not that I think that I'm throwing  
But I'm thrown

And I thought I'd live forever  
But now I'm not so sure  
You try to tell me that I'm clever  
But that won't take me anyhow  
Or anywhere with you

And you said that I was naive  
And I thought that I was stronger  
I thought, hey I can leave, I can leave  
Oh but now I know that I was wrong  
'Cause I missed you  
Yeah, I missed you

You said, "You caught me  
'Cause you want me"  
One day you'll let me go  
You try to give away a keeper  
Or keep me 'cause you know  
You're just so scared to lose

And you say, "Stay"

And you say, I only hear what I want to
