I like things that are so good
You are so, so good
I like you

But I am the underdog
I am the last in line
Don't be the enemy
Don't stand in back of me

Freezing, boring
Wondering where I'll be on my birthday
You kissed me in a dream last night
How could I? I wouldn't know

'Cause I am the underdog
I am the last in line
Don't be the enemy
Don't stand in back of me

Will you be my friend?
Now I understand
That I more than like you

I am the underdog
I am the last in line
Don't be the enemy
Don't stand in back of me

I am the underdog
I am the last in line
Don't be the enemy
Don't stand in back of me

I am the underdog
I am the last in line
Don't be the enemy
Don't be the enemy

I like things that are so good
You are so, so good
