I watch you while you're sleeping
You never know what I might find
Hope you don't mind me peeking
Behind those innocent eyes

I say it's female intuition
You say I'm being paranoid
I didn't put myself in this position
You don't leave me no choice

[Chorus]
Cause I, I'm watching you
I read every word that you said
Please, I'm not a fool
I'm not having this again

So I, I'm watching you
I found everything you hide
Please, tell me the truth
Before this turns to a bitter
Turns to a bitter love

Allot you've have been deleting
Cause you know what you've done is wrong
Not saying you've been cheating
But where's the evidence gone?

You say I'm being to suspicious
They say it's best to never know
Remember I can tell it from your kisses
And I'm not letting this go

[Chorus]
Cause I, I'm watching you
I read every word you said
Please, I'm not a fool
I'm not having this again

So I, I'm watching you
I found everything you hide
Please, tell me the truth

Before this turns to a bitter
Turns to a bitter love

Won't you tell me how to find
The truth behind your lies
Cause your concealing
And there's no reason why

[Chorus]
I'm watching you
I read every word you said
Please, I'm not a fool
I'm not having this again

So I, I'm watching you
I found everything you hide
Please, tell me the truth
Before this turns to a bitter
Turns to a bitter love
