(Never even know what day it is)
(Never even know what time it is)

I can feel the thunder in your heart tonight
I can see the clouds go across your mind
No matter how great the distance
No matter how long the time

Never even know what day it is
Never even know what time
I can't stop lovin' you
(Can't stop lovin' you)
That the way they tell me lovin' is
Always got you on my mind
I can't stop lovin' you
(Can't stop lovin' you)

I can feel your charge across the air
I can read your thoughts when you're not there
No matter how lost you're feelin' (feelin')
Even when you're feelin' down, I'll be around

Never even know what day it is
Never even know what time
I keep on lovin' you
(Keep on lovin' you)
That's the way they tell me lovin' is
Always got you on my mind
I can't stop lovin' you
(Can't stop lovin' you)

Never know what day it is
(Ooh-hoo)
Never know what time it is
