Can't hide no more the way i feel about you  
it's been going on to long  
i'm gonna lay my parts upon the table  
can't hold back this love is so strong i can't handle

Chorus

can't explain how i fee;  
it's a feeling so real  
its just the things that you do  
that got me so in love with you  
can't explain how i feel  
it's a feeling so real  
its just the things that you do  
that got me so in love with you

theres been times i think i'm going crazy  
can't go on when your not around  
and i know that i will always love you baby  
this is fate i feel it inside, finding you was right  
touching, kissing, when we are together  
you be holding me all night  
i'm here no fear of me leaving baby  
and i promise that you'll always beb my man so

Chorus

can't explain how i feel  
it's a feeling so real  
its just the things that you do  
that got me so in love with you  
can't explain how i feel  
it's a feeling so real  
its just the things that you do  
that got me so in love

thinking about the first time i met you  
i felt so in love with you  
wondering will you be part of my life  
cos i'm needing you

Chorus x2

can't explain how i feel  
it's a feeling so real  
its just the things that you do  
that got me so in love with you  
can't explain how i feel  
it's a feeling so real  
its just the things that you do  
that got me so in love with you

that you, that you, that you do to me

oh i love you

oh i need you

got me so in love with you
