(Christian Bale) Think for one fucking second,
what the fuck are you doing?
Are you professional or not? No! No! Don't shut me up.

Ex-juvenile delinquent
Yes, relapse when I fought with Jemosen
I'm thinkin 'bout death like it's pussy in my mind
And the vibe, and I'm feelin like life's so lame
Heaven's probably iller, with way more babes
Way more ways to get fededed?
My first album was in and out the front
Cats tryna play me, now I gotta show 'em what is what
I'm the one who comes when you're feelin so numb
You're the one who runs so I'm the one who hunts you
Most tryna remember it's so fun to confront you
I am the rager, I am forever
Half of the time most the time I'm blunted
If I die it wouldn't all be for nothin
And all my life I'm doin what I wanna
So I'm livin' in the moment til God push the button on
me

Hmm, these niggas all talk hey
Hmm, these niggas all talk
Over here we ain't half steppin
Over here we ain't half steppin
Hmm, these niggas all talk hey
Hmm, these niggas all talk
Over here we ain't half steppin
Over here we ain't half steppin

I'm a cold young man west Cleveland represtenter
My bitch could take your bitch home with her
I'm hot and cold, but never lukewarm
And niggas always talkin bout what they can do for 'em
I'm the prince I came royal penis stay clean

All the shit that I seen you can only day dream
Runnin my city since I was 18
And cold so fuck what a hater might think
Chillin on the higher side of the clouds

Life was nothin like life is now
Just wanna have a couple dollars on deck
And change their perspec Ima aim for the neck
In the club I see you niggas jumpin up and down
sweatin
Only for attention
Pathetic
You only paid twelve hundred dollars for that old
school,
name droppin ass nigga, don't nobody know you

Hmm, these niggas all talk hey
Hmm, these niggas all talk
Over here we ain't half steppin
Over here we ain't half steppin
Hmm, these niggas all talk hey
Hmm, these niggas all talk
Over here we ain't half steppin
Over here we ain't half steppin

I can show you how to do this lame nigga
Uneducated nigga I can show you how to do it
I can show you how to do this lame nigga
Uneducated nigga I can show you how to do it
I can show you how to do this lame nigga
Uncultured motha fucka I can show you how to do it
I can show you how to do it lame nigga
Over here we ain't half steppin

(LCD Soundsystem)
Talking like a jerk except you are an actual jerk and
living proof
