You know me - not at all
You owe me- everything
I will...
So stay chill to weeks of hell

Wasn't it hard for you to let it go?

Cherio, cherio
This is so scario, why should I bother at all?
Well I know that this was this, second call
Oh cherio cherio you make me feel so small
Oh oh
Cheri cherio make me feel so small
Why bother at all?

This is not, the real me
This is not, who I wanna be
Why don't you, just leave me alone?
You scared me, does with the boone.
Wasn't it hard for you, to let it go?

Cherio cherio,
This is so scario
Why should bother at all?
When I know that this was this, second call
Oh, cheri cherio make me feel so small
Oh oh oh
Cheri cherio make me feel so small
Why bother at all?

Maybe she will laugh at me and smile
Mabye she can have him for a while?
I got to feel this anyhow
You make me feel like a big wide cow.

Oh oh why?
Oh oh why?
Oh oh why?

Cherio, cherio, cherio, cherio, cherio

Cherio cherio,
This is so scario
Why should bother at all?
When I know that this was this, second call
Oh, cheri cherio make me feel so small
Oh oh oh
Cheri cherio make me feel so small
Why bother at all?

Yeah yeah yeah

Cherio cherio,
This is so scario
Why should bother at all?
When I know that this was this, second call
Oh, cheri cherio make me feel so small
Oh oh oh
Cheri cherio make me feel so small
Why bother at all?
