4 days on the floor  
I've seen this place before  
The sign is on the door, I need you

The light shades down the fence  
I leave my time and sense  
'Cause I don't even fall, through your open door

Why won't you help me understand,  
Why I can't keep my faith in love  
Why won't you lend me a helping hand,  
I think I need a puch and a shove

Help me to understand why I need you... so bad

Sunshine can be cruel, you try to keep your cool,  
But all I ever said, I need you  
Oh, lose all I can't hold, and lately I've been so cold  
And I won't even fall, through that open door

Why won't you help me understand,  
Why I can't keep my faith in love  
Why won't you lend me a helping hand,  
I think I need a puch and a shove

Help me to understand why I need you... so bad

Help me to understand why I need you, oh so bad  
Help me to understand why I need you, oh so bad...  
Help me to understand why I need you  
I need you, I need you, I need you, God I need you
