And as the raven flies she feels unwelcome  
She's fallen out of her tree and caught on a limb of  
silver lining  
Her wings uncertain oh but she's still flying  
Yeah little Raven I see you there

Hold your head up now  
I won't try and pull your feathers out I promise  
Go on dry your eyes  
You know that I've forgiven you and I'm sorry  
And everything till now  
It wasn't that bad really  
Beautiful lady

Why don't you fly with me  
We'll have a chat and a cup of tea  
And a long lost need to see who's really there

And you'll finally be okay with me  
And I'll hear your stories

That fill your sad eyes  
When you had raven hair

Hold your high up high  
I know that I've been ruthless  
I've been ruthless

Go on dry your eyes  
You know that I've forgiven you and I'm sorry  
And everything till now  
It wasn't that bad really  
Beautiful lady

Go on dry your eyes  
Hey you finally see me - hi  
And I see you  
And everything till now  
It wasn't that bad really  
Beautiful lady

Go on dry your eyes

You know that I've forgiven you and I'm sorry  
And everything till now  
It wasn't that bad really  
Beautiful lady
