This is a drag, that it's too late now
And I wanted to tell you that I was wrong
I didn't realize I still hold on to you
But I still do

Was it that I turned everyone against you?
Was it that I didn't defend you?
Was it that I never had your back?
No, no was that I was always tryin' to save you?
And you never wanted me to
Or was it that I loved you?

You don't seem to see me sinkin' in, do you?
You're not content in your own head, are you?
You just want to kick me once again, don't you?
Don't you baby? Don't you baby?
Did it again

I don't stop payin'
You don't look so good to me, my friend
Is it because of me I really left this time?
Did you ever say goodbye?

Was it that I had a crush on your friend?
Was it that I left for another man?
Was it that I didn't know?
No, no you were in over your head and I
Didn't see what I had, did I?
No, I didn't and uh

You don't seem to see me sinkin' in, do you?
You're not content in your own head, are you?
You just wanna kick me once again, don't you?
Don't you baby? Don't you baby?

Was it that everyone would just kiss my ass?
I couldn't see through it and you could
Yeah now look what's come of us here ten years later?
I jump from one to the other
You're still worryin' an' your mother
And I almost went under baby

You don't seem to see me sinkin' in, do you?
You're not content in your own head, are you?
You just wanna kick me once again, don't you?
Don't you baby? Don't you baby?

You don't seem to see me sinkin' in, do you?
You're not content in your own head, are you?
You just wanna kick me once again, don't you?
Don't you baby? Don't you baby?
Don't you baby? Don't you baby?
