Lay down the law don't make a sound  
Just critical, just going down  
I don't belong  
I've lost the plot  
Not gonna fall  
Can't be what I'm not

You can think that I'm evil and I'm all for it  
You ain't seen nothin' yet

If I don't get with your system then I'm sure to fit  
You ain't seen nothin' yet

Lay down the truth don't make a sound  
Just a piece of fruit who's hit the ground  
I don't respond  
I've lost the plot  
Unethical  
Not what I thought

You can think that I'm evil and I'm all for it  
You ain't seen nothin' yet

I'm a bit transgressive and suppressive as well  
You ain't seen nothing yet

Am I a disruption to your corruption?  
You ain't seen nothing yet

(Instrumental break)

You can think that I'm evil and all for it  
You ain't seen nothing yet

If I don't get with your system  
Then I'm sure to fit

No longer elated, now you're frustrated  
You ain't seen nothing yet!

You can think that I'm evil and I'm all for it  
You ain't seen nothing yet

If I don't get with your system then I'm sure to fit  
You ain't seen nothing yet

You can think that I'm evil and I'm all for it  
I'm a bit transgressive and suppressive as well  
You ain't seen nothing yet
