Oh Anna, I bet you feel so bad today
You never saw it turning out that way
No Anna, I bet you look so bad today
I never, you always turn the other way

I don't think I like you at all
You're anything in everything I hate
Something that I just can't tell, tell myself you're not
there

Anna, I bet France looked good today
I never, you love your debt that you can't pay
No Anna, did you have something to say?
You'll never turn out any other way

I don't think I like you at all
You're anything in everything I hate
Something that I just can't tell, tell myself you're not
there to hate

You look so bad today
Turn the other way

I don't think I like you at all
You're anything in everything I hate
Something that I just can't tell, tell myself you're not
there to hate
