Don't wanna be part of your reality  
I wanted to know, so it turns out I don't wanna know  
I wanted to do everything you wanted me to  
So easy to say, well you've had it every other way

But no, I don't, I won't, I don't  
I know, I won't, I don't, I won't, oh  
I know, I know, I know, I know  
I won't, I don't, I know

Wasting my time, 'cause maybe I'm just losing my  
mind  
I'm wasted on fear, why don't you tell me it's not real

But no, you don't, you won't, you don't  
I know, you won't, you don't, you won't, oh  
I know, I know, you know, I know  
I won't, you don't, I know

But no, I don't, I won't, I don't  
I know, I won't, I don't, I won't, oh  
I know, I know, I know, I know  
I won't I don't, I know, I know
