Explain to me, this jealousy, this jealousy
Tell me, what's wrong with me, what's wrong with me
Why's it so wrong, why's it so bad
If you care so much, why would you rather see me so
sad

And it's sad
I'm so sad, well that's too bad

And it's not so easy, not so easy
Not so easy for you
Not so easy, not so easy
Not so easy to do

Explain to me, what I don't see, what I don't see
Dictate to me what you think I need, you think I need
Why's it so wrong, why's it so bad
If you care so much, why would you rather see me so
sad

And it's sad
I'm so sad, well that's too bad
And it's not so easy...

Why's it so wrong, why's it so bad
If you care so much, why would you rather see me so
sad

And it's sad
I'm so sad, well that's too bad
And it's sad
Why's it so sad, why's it so bad

And it's not so easy, not so easy
Not so easy for you
