Out of sight, out of mind
Without you everything seemed fine
Could it be, am I that weak
The only one I believe
Out of sight, out of mind
Maybe it's just a waste of time
Could it be, am I that weak
Should know by now that it could never be

I don't believe it
If only I could turn back time
I don't believe it

Out of sight, out of mind
Making up for wasted time
Could it be, am I that weak
Saying things I never mean
Out of sight, out of mind
Stepping way out of line
Could it be, am I that weak
Keep on laughing but the joke's on me

I didn't mean it
If only I could change your mind
I didn't mean it
I don't believe it
If only I could turn back time
I don't believe it

Out of sight, out of mind
Only now I realise
Could it be, was I that weak
Things in you now I don't see
Out of sight, out of mind
Truth be told, I'm just fine
Could it be, was I that weak
Well here's something I truly mean

I didn't need it
'Cause you're just a waste of time
I didn't need it
I don't need it

You're nothing but a waste of time
I don't need it

And I mean it
Nothing could ever change my mind
I don't need it, yeah
