The sun comes up - I think about you
The coffee cup - I think about you
I want you so, it's like I'm losing my mind

The morning ends - I think about you
I talk to friends and think about you
And do they know it's like I'm losing my mind

All afternoon doing every little chore
The thought of you stays bright
Sometimes I stand in the middle of the floor
Not going left - not going right

I dim the lights and think about you
Spend sleepless nights to think about you
You said you loved me, or were you just being kind
Or am I losing
Losing my mind

All afternoon doing every little chore
The thought of you stays bright
Sometimes I stand in the middle of the floor
Not going left - not going right

I dim the lights and think about you
Spend sleepless nights to think about you
You said you loved me
Or were you just being kind
Or am I losing my mind

Or am I losing my mind

You said you loved me
Or were you just being kind
Or am I losing my mind

Or were you just being kind
Or am I losing my mind
Losing my mind
Losing my mind
Losing my mind
Losing my mind

Losing my mind
