Money makes the world go around  
The world go around  
The world go around  
Money makes the world go around  
It makes the world go 'round.

A mark, a yen, a buck, or a pound  
A buck or a pound  
A buck or a pound  
Is all that makes the world go around,  
That clinking clanking sound  
Can make the world go 'round.

Money money money money money money  
Money money money money money money  
Money money money money money money  
Money money

If you happen To be rich,  
And you feel like a  
Night's enertainment  
You can pay for a  
Gay escapade.

If you happen To be rich,  
And alone, and you  
Need a companion  
You can ring-ting-A-ling  
for the maid.

If you happen To be rich  
And you find you are  
Left by your lover,  
Though you moan and you groan  
Quite a lot,  
You can take it On the chin,  
Call a cab, And begin  
To recover  
On your fourteen-Carat yacht.

Money makes the world go around,

The world go around,  
The world go around,  
Money makes the world go around,  
Of that we can be sure.  
(...) on being poor.

Money money money- money money money  
Money money money- Money money money  
Money money money money money money  
Money money money money money money  
Money money money money money money

If you haven't any coal in the stove  
And you freeze in the winter  
And you curse on the wind  
At your fate  
When you haven't any shoes  
On your feet  
And your coat's thin as paper  
And you look thirty pounds  
Underweight.  
When you go to get a word of advice  
From the fat little pastor  
He will tell you to love evermore.  
But when hunger comes a rap,  
Rat-a-tat, rat-a-tat at the window...

At the window...

Who's there?

Hunger!

Ooh, hunger!

See how love flies out the door...For

Money makes The world...  
...Go around  
The world...  
...Go around  
The world...  
...Go around  
Money makes the  
The world...  
...Go around

That clinking  
Clanking sound of  
Money money money money money money  
Money money money money money money

Get a little,  
Money money  
Get a little,  
Money money  
Money money  
Money money  
Money money  
Money money

Mark, a yen, a buck  
Get a little  
Or a pound  
Get a little  
That clinking clanking  
Get a little  
Get a little

Clinking sound

Money money  
Money money...

Is all that makes  
The world go 'round

Money money  
Money money

It makes the world go round!
