I've come a long way  
And I thought it was possible to love someone new  
To forget about you

I've come a long way  
And I thought it was possible to love someone new  
I'm stronger than you you

Mary, Mary - can't get you out of my head  
Mary, Mary - I won't forget what you said  
Mary, Mary - can't get you out of my head

We play a new game  
Can you feel it racing through my veins straight to you?  
So shallow and blue

This is a good day and you're an aquired taste  
That I learnt to brew now I got to have you

Mary, Mary - can't get you out of my head  
Mary, Mary - I won't forget what you said  
Mary, Mary - can't get you out of my head

(Love me sister friend, love me until the end)

You are all that I've got  
I won't forget what you said  
You are all that I'm not  
Can't get you out of my head  
You are all that I've got

Mary, Mary - can't get you out of my head  
Mary, Mary - I won't forget what you said  
Mary, Mary - can't get you out of my head

Mary, I need you to say (You are all that I've got)  
Mary, my love we're the same (You are all that I've got)  
Mary, I wan't you to stay (You are all that I've got)  
Mary, my love we're the same
