So there I was Sitting on the top of the world In a coin
laundry
Well I could have been royalty Sitting in the palace like
a queen

Do you have a dollar? Do you have a dollar for me?
Have you got a house on a hill And a bed for three?
do you have a story Do you have a story for me?
Do you know the one where they all live hapilly

Do you, do you
Do you, do you

So now I'm here Sitting on the edge throwing these
stones to the long
lost friends
I could have been a common thief Sitting in the dirt
quite happily

Do you have a dollar? Do you have a dollar for me?
Maybe just an hour or two and a pot of tea
Do you have a memory Do you have a memory for me?
Tell me bout the days when you were seventeen

Do you, do you
Do you, do you
oh~

Do you have a dollar? Do you have a dollar for me?
Maybe just a little old house and a lemon tree
Do You have a reason, do you have a reason for me?
Tell me about the girl you met in the coin laundry

Oh Can I be the girl that you met
Can I be the girl that you met, Can I be the girl that you
met in the
coin laundry?

Oh can I be the girl that you met?

Can I be the girl that you met
Can I be the girl that you
met in the
coin laundry?
