Show me how you do that trick
The one that makes me scream he said
The one that makes me laugh he said
And threw his arms around my neck
Show me how you do it
And I promise you I promise that
Iâ€™ll run away with you
Iâ€™ll run away with you
You
Soft and only
You
Lost and lonely
You
Just like heaven
Spinning on that dizzy edge
I kissed his face and kissed his head
And dreamed of all the different ways I had
To make him glow
So why are you so far away? He said
Wonâ€™t you ever know that Iâ€™m in love with you
That Iâ€™m in love with you
You
Soft and only
You
Lost and lonely
You
Strange as angels
Dancing in the deepest oceans
Twisting in the water
Youâ€™re just like a dream
Daylight licked me into shape
I must have been asleep for days
And moving lips to breathe his name
I opened up my eyes
And found myself alone alone
Alone above a raging sea
That stole the only boy I loved
And drowned him deep inside of me
You
Soft and only
You
Lost and lonely

You
Just like heaven
