I see that you're confused  
Start walking in my shoes  
I am not a pretender  
Just take it as a sign  
When all the stars align  
I'll be the forever  
And everywhere I go  
I'm putting on a show  
But I am not an act  
Whatever you have heard  
It is so absurd  
I am not a rumor  
I'm a fact  
This Is Me  
I'm a little bit left  
I'm little bit right of what you see  
This Is Me  
I'm little bit real  
I'm a little be fantasy  
But I can't be nobody else  
This Is Me  
Some things you'll never get  
That I don't regret  
I only remember  
There's nothing to defend  
I stop and start again  
It only gets better  
This Is Me  
I'm a little bit calm  
I'm a little bit loud as I can be  
This Is Me  
I'm a little bit real  
I'm a little be fantasy  
But I can't be nobody else  
This Is Me  
I don't want to be the teacher  
I don't want to be the lesson  
I don't want to be the answer  
I don't to be question  
This Is Me  
I'm a little bit left  
I'm little bit right of what you see
