Back in time...

Mistakes I've made, I can't replay  
Oh to have a second chance to try  
The things I've done  
Whilst having fun  
And thinking 'bout what I did still makes me cry  
(Back in time)

I wanna go back in time  
I wanna go back and do it all again  
That day, in my life, again  
(La la la la la la,  
La la la la la la)

Such deep regrets (deep regrets)  
Can't pay my debts  
I pray to have the chance to try again  
So now you see (now you see)  
Come set me free (come set me free)  
I need to have the chance to make amends

I wanna go back in time  
I wanna go back and do it all again  
That day, in my life, again  
I wanna go back in time  
I wanna go back and do it all again  
That day, in my life, again  
(La la la la la la,  
La la la la la la)

You know it feels so good, I wanna go back

I wanna go back in time (I wanna go back)  
I wanna go back and do it all again  
That day, in my life, again  
I wanna go back in time (I wanna go back)  
I wanna go back and do it all again  
That day, in my life, again

(La la la la la la,

La la la la la la)
