Hey DJ on the request line  
I've got this tune  
That's blowing my mind  
Could you play it?  
'Cause it's cool  
If you'd do it for me  
I would do it for you

Hey DJ on the request line  
I've got this tune  
That's blowing my mind  
Could you play it?  
'Cause it's cool  
If you'd do it for me  
I would do it for you

Time to hit the town tonight  
All the guys looking street and the girls looking fine  
Come on people, hop on my rhyme  
On a journey, I'll take you  
The trip of your life

'Cause I wanna hear my record on the radio  
Get It On  
Get It On  
And I wanna hear my record on your stereo  
Get It On (Get It On)  
Get It On

(Hey DJ)

Caller, caller on the line  
Repeat the message, and the rhyme  
Spin this record, one more time  
You request it and we rewind

Spin this record, one more time  
You request it, and we rewind
