I found you, and I lost you  
I was falling in love with you  
Can you tell me, why you left me  
I wanna know  
I'm turning back time (I'm turning back time)  
Lying here I wonder why  
Drawing circles in my mind  
And tears that won't dry, fall from the sky

Walking high over clouds going by  
Silver lining caught in my eye  
A picture of yesturday, seems so far away  
All I want is to hold you near,  
Tell you things that you wanna hear  
I'll wait for you (I'll wait for you)  
I'll wait for you (I'll wait for you)

I still need you (need you)  
Wanna please you (please you)  
I'm helpless without you  
Are u out there, do you hear me?  
I have to know  
I'm scared that I'll find (I'm scared that I'll find)  
In my dreams you hold me tight,  
And when I wake you're out of sight  
I gave you my heart  
But will yours be mine?

Walking high over clouds going by (walking high)  
Silver lining caught in my eye (in my eye)  
A picture of yesturday, seems so far away  
All I want is to hold you near, (Oooh)  
Tell you things that you wanna hear  
I'll wait for you (I'll wait for you)

I'm waiting for you (I'm waiting for you)  
I'm waiting for you (I'm waiting for you)  
I'm waiting for you (I'm waiting for you)  
I'm waiting for you (Oooh Ooo)

Walking high over clouds going by (walking high)

Silver lining caught in my eye (in my eye)  
A picture of yesturday, seems so far away  
All I want is to hold you near, (Oooh)  
Tell you things that you wanna hear  
I'll wait for you (I'll wait for you)

Walking high over clouds going by  
Silver lining caught in my eye  
A picture of yesturday  
Seems so far away  
All I want is to hold you near  
Tell you things that you wanna hear  
I'll wait for you

I'll wait for you
