Touch, feel this kiss this is my kinda pleasure
Boys love the girls cos the girls have the treasure
I've got the key to the house of pleasure inside

Sweat from your lips, feel your fingertips learning
Stroke till you scratch till the soft skin is burning
Patience is hard when your body's yearning to try

Boy you make me cry when you look at me that way
I'd give you what you want if I could dress you up
Then...
Play that dirty game though...
It's kinda sleazy

Dance with me where the sun don't shine
When the moon is round you must take your time
If you push too hard I'll deny the secret you dream
It's kinda sleazy
Dance with me where the love is mine
Where you're out of bounds, when the music's wise
Taste the drink, it's the sip that makes me complete
It's kinda sleazy

Fly through the clouds, through the stars to the
Heavens
Deep is the joy and the pain stuck together
Hot to the touch is the kinda weather tonight

Boy you make me cry when you look at me that way
I'd give you what you want if I could dress you up
Then...
Play that dirty game though...
It's kinda sleazy

Dance with me where the sun don't shine
When the moon is round you must take your time
If you push too hard I'll deny the secret you dream
It's kinda sleazy
