I made it like that, I bought it like that, I'm livin' like that.
(Yeah)

I made it like that, I bought it like that, I'm livin' like that.
(Yeah yeah)

They say money rule the world, Well I'm a hundred
dollar bill.

An I'm just look-in for a subtle spot ta chill.

Niggaz crazy, Thinkin bout today an not tomorrow.

Hope they never have to borrow out here frontin like
they.

(Made it like that)

But I don't stress 'em I just keep pressin along.

If I ain't got no rellos then case got the bong.

An, Let me take one to the face then I'm gone.

I got these Louie's on my face for the sun cause I.

(Made it like that)

Everything I got I took it look at what we did.

Passin out tapes at school ta out a town paid gigs.

Even older bitches want the kid like I'm Taye Diggs.

Givin' ho's they groove back all I here is Hayyyy Chip.

Hay bitches how ya doin

And they flock to 'em cause they know he won't pursue
it.

Just do it if you want it an don't stop until you there.

Damn Chip you poppin' everywhere, That's cause I.

I made it like that, I bought it like that, I'm livin' like that.

I made it like that, I bought it like that, I'm livin' like that.

I made it like that, I bought it like that, I'm livin' like that.

I made it like that, I bought it like that, I'm livin' like that.

(Yup)

Coming to you live from the jungle full of pride.

And drugs, Many lives taken from under these lights.

Where them Nike air flights been roamin out plenty
nights.

It was a whole lotta shots n not to many fights.

We was young keepin up with then niggaz who was
hatin.

Nobody gave us nathin we we just had to take it.

Now, Lil Stakes just got 38, better smarten up.
Lil John goin off, Yeah we got some problems bru.
Pray an ask the lord ta stay, Give me just another day.
An if I die before I wake tell my niggaz split my cake.
Yeah just like 50 say cause I can't take it anyway.
We livin in a different day and yesterday ain't shit
today.
So what I gotta git today is paper in a different way.
Condo fuck a crib cause hey ya window just a brick
away.
Followed by you fill in the blank wile I just slide on by.
Up in 216 bout to catch a flight to 909.

I made it like that, I bought it like that, I'm livin' like that.
I made it like that, I bought it like that, I'm livin' like that.
