Girl got a fat ol' ass

Yeah, ol' Girl got a fat ol' ass

Yeah, ol' Girl got a fat ol' ass

Yeah, that type that make you tell a bitch just dance

[Verse 1:]

Dance, too much booty in the pants

Caught eye contact like she knew me in the past

Ass so fat just dropped my glass

Ass so fat nigga couldn't write a pass

Latina mami super thick got not tats

Told her when she go Black won't go back

Baby girl have fun, don't hold back

Cause when you get old that booty might go flat

Educated paid nigga and from the hood

She need a real nigga that can do something to it

Naw, she just want a nigga that stunt good

She got back but I wonder if the front good

We at the pool party, she got bikini on

Shut the whole party down had to bring her home

She choosing she on me like a tattoo

And all her homegirls got ass too

Repeat Hook

Let me see you drop it

Let me see you drop it

Now bring it up, what

Now bring it up, what

Bounce to the floor, what

To the floor, what

Let me see you drop that

Yeah, don't stop

[Verse 2]

From the neck up is amazing

From the neck down, eyebrow raisin'

She killin' all the girls on World Star

She wanna be on TV, be a world star

She in VIP gettin' it
You can hear the ass clap when she hittin' it
How you shaped like that, I'm not gettin' it
I'm in the zone thinkin' bout hittin' it
That ass took over the whole club
Somebody hold my drink I'm in love
I just wanna walk up to and give it a hug
You might as well come sock it to the plug
Fuck the bullshit, I'm tryna get inside her
Them high heels make that ass sit a little higher
Man it's too light in this club, let's get? here
And when she walk there's booty everywhere

Repeat Hook

Let me see you drop it
Let me see you drop it
Now bring it up, what
Now bring it up, what
Bounce to the floor, what
To the floor, what
Let me see you drop that
Yeah, don't stop
