I don't know where my baby is
But I'll find him, somewhere, somehow
I've got to let him know how much I care
I'll never give up looking for my baby

Been around the world and I, I, I, I can't find my baby
I don't know when, I don't know why, why he's gone
away
And I don't know where he can be, my baby
But I'm gonna find him

We had a quarrel and I let myself go
I said so many things, things he didn't know
And I was oh, oh, so bad
And I don't think he's comin' back, mm mm

He gave the reason, the reasons he should go
And he said so many things he never said before
And he was oh, oh, so mad
And I don't think he's comin', comin' back

I did too much lyin', wasted too much time
Now I'm here a cryin', I, I, I

Been around the world and I, I, I, I can't find my baby
I don't know when, I don't know why, why he's gone
away
And I don't know where he can be, my baby
But I'm gonna find him

So open hearted, he never did me wrong
I was the one, the weakest one of all
And now I'm oh, oh, so sad
And I don't think he's comin' back, comin' back

I did too much lyin', wasted too much time
Now I'm here a cryin', I, I, I

Been around the world and I, I, I, I can't find my baby
I don't know when, I don't know why, why he's gone
away
And I don't know where he can be, my baby

But I'm gonna find him

Been around the world and I, I, I, I can't find my baby
I don't know when, I don't know why, why he's gone
away

And I don't know where he can be, my baby
But I'm gonna find him, I'm gonna find him, my baby

I did too much lyin', wasted too much time
Now I'm here a cryin', I, I, I

Been around the world and I, I, I, I can't find my baby
I don't know when, I don't know why, why he's gone
away

And I don't know where he can be, my baby
But I'm gonna find him

I've been around the world, lookin' from my baby
Been around the world and I'm gonna, I'm gonna find
him

Been around the world and I, I, I, I can't find my baby
I don't know when, I don't know why, why he's gone
away

And I don't know where he can be, my baby
But I'm gonna find him
