It's been so long since I had love  
And now, you're here to make it right  
It's been so long since I had fun  
Oh, but I'm gonna have some fun tonight

'Cause everything I need is here  
And everything I see is clear  
Oh, this is gonna be so nice  
You'd better know what set my size  
Since boy, I've set them high

You'd better start your breathtaking  
You gotta do some love-making, boy  
You'd better start your breathtaking  
'Cause boy when I'm making  
You're gonna get the best of me

Di, di, di, di, di, di, di, di  
Di, di, di, di, di, di, di, di  
Di, di, di, di, di, di, di, di  
You're gonna get the best of me

You're feeling so and I should've known  
'Cause I feel just as the same as you  
Now one more thank to make you sweet  
If you're all the never ever new

You'd better start your breathtaking  
You gotta do some love-making, boy  
You'd better start your breathtaking  
'Cause boy when I'm making  
You're gonna get the best of me

Di, di, di, di, di, di, di, di  
Di, di, di, di, di, di, di, di  
Di, di, di, di, di, di, di, di  
You're gonna get the best of me

'Cause everything I need is here  
And everything I see is crystal clear  
Oh, this is gonna be so nice  
You'd better know what set my size

Boy, I've set them high

You'd better start your breathtaking  
You gotta do some love-making, boy  
You'd better start your breathtaking  
'Cause boy when I'm making  
You're gonna get the best of me

Di, di, di, di, di, di, di, di  
Di, di, di, di, di, di, di, di  
Di, di, di, di, di, di, di, di  
You're gonna get the best of me
