I didn't realize, that you were someone else  
Until it was too late  
So fooled by your disguise, carried away  
I thought you were my friend

But things change and you along with them  
Gone are the days when  
We laughed through the night  
And it will never be the same

I said it wouldn't last forever didn't I, didn't I?  
Don't want to say I told you so but didn't I?  
I gave you all my heart and soul and didn't I cry?  
But somewhere deep in your heart  
Deep down inside, I got to you  
Oh baby didn't I?

We made no promises, we lived for every moment  
Together come what may  
What need was there to lie, for Heaven's sake?  
I loved you anyway

But things change and time heals the wounded  
Where there was pain  
There's a scar on my heart  
Now I can't look at you the same

I said it wouldn't last forever didn't I, didn't I?  
Don't want to say I told you so but didn't I?  
I gave you all my heart and soul and didn't I cry?  
But somewhere deep in your heart  
Deep down inside I got to you  
Oh baby didn't I?

Say didn't I baby? Yeah  
I gave you all my heart and soul and didn't I cry?  
Somewhere deep in your heart, deep down inside  
Tell me oh baby, babe  
I got to you didn't I, didn't I?  
You found her baby 'cause I did, didn't I?  
I gave you my heart, I gave you my soul, didn't I?  
Somewhere deep in your heart

Deep down inside, ohh baby didn't I?

I got to you, oh baby

I got to you

Whey aye aye, oh yea yea

Didn't I, didn't I, baby?
