Chorus:

Don't stop me for the mailman  
This note I don't understand  
Don't stop me for the mailman

Chorus2:

I've read it once before  
And I can't believe it's true  
Amazing how just one note  
Can leave me sad and blue

It makes me want wanna shout  
Oh throw that letter out  
It's like a paper dart  
It's heading for my heart  
I hope it's not the truth  
There's nothing left to lose  
Just one more victim  
Of the postal blues

Chorus

I've read it once before  
And I can't believe it's true  
Amazing how just one note  
Can leave me sad and blue  
It makes me want wanna shout  
Had I been a lady cop  
I'd be in a state of shock  
'cause ??????????

I'd never be the same  
There just goes to show  
How low that guy can go  
To run off with a girl he can hardly know

Chorus

Chorus2

Had it been a lady cop  
I'd be in a state of shock  
'cos two more death in a plane  
I'd never be the same  
It just goes to show  
How low that guy can go  
To end up with a girl he can hardly know

Chorus

Mr mailman (x10)

I now know where the answer lies  
That's what she was for  
He's always had a liking for a girl in uniform

Chorus (x2)

Don't stop me for the mailman (x8)
