Ooh ooh
My show
Ooh woo
Ooh ooh
Mmm

My first love, my first love
You gave me my first chance to be a woman
Forever I'll remember what you gave me
My first joy

My first love
You awoke my mind, my soul and my body
My first love
You opened my eyes

Ooh sweetheart
You took away my fear and inhibition
My first love
My sweetness and light

My first love, my first love
You gave me my first chance to be a woman
Forever I'll remember what you gave me
My first joy

That first kiss, ooh
Standin' in the cold warmin' up the winter
It was bliss, ooh
To be in your arms

Woo ooh, it seemed we'd be that way forever
Together in love
And my first love
You'll stay forever in my heart

My first love, my first love
You gave me my first chance to be a woman
Forever I'll remember what you gave me
My first joy

My love, my joy

My first love, my first love
You gave me my first chance to be a woman
Forever I'll remember what you gave me
My first joy

My first love, my first love
You gave me my first chance to be a woman
Forever I'll remember what you gave me
My first joy

Ohh, my first love
You gave me my first chance
You made me feel a woman
My first joy
Ooh, ooh
Ooh baby
Our love is so mad for you
Ooh mad about after you
Ooh babe
Ooh ooh, hey
Yeah yea
