I searched, I found and I lost love  
Now I've started all over  
Now not a day goes by when  
I'm not sure you're the one

cos you give me something baby  
It's a feeling I just can't contain  
You give me something baby  
And it's something I'll never find again

Chorus:  
You give me love you give me life  
Darlin' what more can I want  
I'm never gonna fail in love again  
You're givin' me something more and I know  
I won't be searching no more  
I'm never gonna fall in love again

I wake and feel you by my side  
And your touch is so tender  
I'm so at home in your caress  
In your arms

cos you give me something baby  
It's a feeling I just can't contain  
You give me something baby  
And it's something I'll never find again

Chorus

cos I got you baby, you baby, you  
I got you baby, you baby, you  
I got you baby, you baby, you  
I got you baby, you baby, you

Oh I've found someone  
Someone who I can depend on  
And it changed my life  
Knowing that I can survive

Chorus

cos I got you baby, you baby, you  
I got you baby, you baby, you  
I got you baby, you baby, you  
I got you baby, you baby, you
