So who's gonna give a little?
So who's gonna give a little?
So who's gonna give a little?

Everybody's looking for a meaning
Everybody's doing their own thing
And nobody's solving the problem
Ain't nobody helping each other

Some people give into fear
Some people give into hunger
Some of us live for the future
And some of us wonder

Give a little light, give a little love
Maybe there's enough for everyone
Give a little hope, and a little trust
Maybe there's enough for everyone

People hold on
Don't do yourself wrong
People hold on
We've got to be strong

People hold on
Don't do yourself wrong
People hold on
We've got to be strong
People hold on

Everybody's getting frustrated
Why should we live with this hatred?
We've all dancin' on a thin line
They're makin' out we're having a good time

So who's gonna give us the answer?
Sister and brother
Givin' into life, givin' into love
Maybe there's enough for everyone

People hold on
Don't do yourself wrong

People hold on
We've got to be strong

People hold on
Don't do yourself wrong
People hold on
We've got to be strong
People hold on

Everybody
Everybody
Everybody
