Help me through

Dear sister
Something's been going on
It's me and my mister
Now I know I'm wrong

'Cause I hurt and I'm sore but
I can't help thinking about him so
I hurt and what's more
I don't think I can let him go

So won't you help me Suzanne
Help me try to understand
Won't you help me Suzanne
'Cause I've just got to say goodbye
Say goodbye to my man

Dear sister
Oh I lay awake some nights
Thinking should I risk a
Should I risk another fight

'Cause I hurt and I'm sore
I'm still thinking about him so
I hurt and what's more
I don't think I can let him go

So won't you help me Suzanne, please help me
Help me try to understand
Won't you help me Suzanne
'Cause I've just got to say goodbye

Lately love's like lead it weighs me down
I don't know if I'm safe and sound
My favorite color's green not black and blue
There must be something you can do

So won't you help me please Suzanne
Suzanne help me try to understand
Won't you help me Suzanne
Suzanne oh help me

Oh Suzanne I've pain
I've got a heart and I need some man
Oh I've tried, I've tried, I've tried
And I, I, I, I've gotta say goodbye

Help me please
Won't you help me please Suzanne
Take away my pain, take away my pain
Oh Suzanne

Oh help try to understand
Won't you, won't you, help through the pain
Help me through the pain
Help me through the pain
